

STATISTICAL SECTION

The financial presentations included in this section provide comparisons of economic and social characteristics and financial trends over a ten-year period. The statistical data presented are intended to give users of the financial statements, as well as the investment community, a better historical perspective and assessment of the current financial status and trends of the Commonwealth.

Statistical schedules related to property taxes are not presented since the Commonwealth does not assess property taxes.

(1) Under Unclaimed Property law, the Commonwealth receives abandoned securities and tangible personal property. These are not introduced into the accounting system until converted to cash. As of June 30, 2002, securities with a market value of approximately \$46 million and 1,446 inventoried lots of unappraised tangible property were in the Treasurer's custody. The Treasurer is custodian of these items until claimed by the rightful owners or heirs, except that the Treasurer can and does periodically convert these items into cash.

(2) Total available funds represent the amount of funds available for payment of claims, operating expenses, and transfers to Literary Fund.
